I Reading Comprehension (20 marks) **Passage 1 (10 marks)**

20

Read the following passage , then answer the questions below :

London, is the largest city in Europe. It has held this title for over four hundred years. Over seven million people call London, the capital of the United Kingdom, home. One in ten people, who live in the United Kingdom, live in London. Three hundred fifty thousand people travel each day into London to work.

Due to London's location, it is very dry all year. Although it is dry, London is often very cloudy. On average it rains mildly just about every other day.

More than a hundred of the world's major companies have their headquarters in London, making the city a major world influence. Most people from London work in a job that involves printing or publishing.

passage 2 : (10 marks)

Read the following passage , then answer the questions below :

Helen Keller was a remarkable woman, born in 1880 and died in 1968 at the age of 88. At age two, she got an **illness** that left her blind, deaf, unable to speak, and was considered backwards of intelligence. She lived in a dark and hopeless world of her own, until age 7, when she was placed in the care of her teacher, Anne Sullivan. Through being taught letters spelt out in her hand, she came to realise the relation between those words and their meaning. From then on, she went on to bring forth her intellectual and emotional abilities, being a good learner, and despite the social obstacles of her time, became the first deaf/blind person to graduate from college. As an adult, she travelled the world, campaigned for civil rights, world peace, human dignity and women's rights, and authored many books and essays. She became a **prominent** figure in her lifetime, whose accomplishments attracted respect, admiration and inspiration.
