How to keep our community clean:

There is no doubt that all of us want to make a difference in our community so we do our best to achieve this goal. There are different ways and means to help our community. For example, we should keep environment clean by not throwing the garbage everywhere. We should also plant trees and flowers in all areas in our cities and villages to keep air clean. In addition, we shouldn't also pollute the water by throwing trash, old bags or plastic bags.

There should be a law for punishing those who spoil the environment by any means. Besides, we should praise those who keep the environment clean and healthy.

Write a composition about your visit to a rest home for the elderly

Every Thursday I go to a rest home in Dubai with my friends, Ali and Omar. We visit the rest home to help the elderly, listen to their stories and relieve (يخفف) their pain as much as we can. Last Thursday we took some of them to the park. We were all the time together. We have food together. They told us about their past lovely memories and we told them about our adventures. We took lovely photos for the wild animals in the zoo inside the park. We spent a very good day full of enjoyment and passion although sometimes we felt sad as we know that at the end of the day we would leave them. Those old people need help. It is our obligation (واجب) to find any ways and means to help them. I think it is a very useful way to spend our free time.

لاحظ: في ورقة الامتحان يأتى بالسؤال وترجمته فان لم تستطيع فهم ما هو مكتوب بالانجليزية فعليك بقراءة المكتوب بالعربية فهو ترجمة للسؤال وهذا سيساعدك كثير في كتابة بعض الجمل فضلا عن تركها فارغة.

كيفية حل أل 5 جمل

كل ما عليك هو فحص الصورة جيدا ويمكنك بداية الجملة كالآتي:

يمكنني أن أرى..... 1- I can see

I can see a man ,I can see a woman , I can see a boy or boys, I can see a girl or girls, I can see an animal
يمكنني أن أرى حيوانا
وهكذا،

هذا افضل بكثير من ترك السؤال فارغا

تحياتي وموفقين باذن الله
