April 2009

☐ Absent

The instructions for the Writing Task should be read to you by your teacher.
You may discuss the task in Arabic but remember to write in English.

Your class is putting together a book on holidays.

The topic is "My Holiday".

Write about your holiday. Where did you go? How did you get there?

What did you like most? What made your holiday special?

Things to remember:

- Take time to plan your writing.

Read over your writing to be sure that:

- the main idea of your writing is clear
- everything in your writing talks about the main idea
- your ideas are organised logically so readers will understand your message
- the words and information you choose make your writing interesting to readers, and
- your sentences make sense and read smoothly.

Edit your paper and check that:

- you used correct grammar, capital letters and punctuation marks, and
- your spelling is correct.

You have:

- 5 minutes planning
- 25 minutes writing
- 5 minutes editing
- Total time: 35 minutes

Please note:

YOU ONLY HAVE THIS BOOKLET TO WRITE IN. **NO** EXTRA PAPER WILL BE PROVIDED.
